## **For AU9720 USB To Serial Bridge Controller**

**User Guide**

**Official Release**

**Revision 2.00**

**Public**

**Aug 2008**

## Data Sheet Status

Objective specification	This data sheet contains target or goal specifications for product development.
Preliminary specification	This data sheet contains preliminary data; supplementary data may be published later.
Product specification	This data sheet contains final product specifications.
User guide	This data sheet contains the application guideline for user.
Analyze report	This data sheet contains the analyze report of sample chip.

## Revision History

Date	Revision	Description
Feb 2006	1.00	Official release
Aug 2006	2.00	Updated driver installation step for v2.00.232.01 later.
